

Procedural Integrity Data Sheet Baseline/Posttraining (Experiment 2)

For each item, write a "+" if the statement is true or write a "-" if the statement is false.
Write N/A if the statement is not applicable.

Please write a "+" if the step is performed correctly or a "-" if it is performed incorrectly.

Date	10/20	10/20	10/20	10/20	10/20
Session	BL	AB	BA	AC	CA
Participant	SB	SB	SB	SB	SB
Initials	SF	SF	SF	SF	SF
1	The experimenter emailed participants the link to relevant session materials (Qualtrics, informed consent form)				
	+	+	+	+	+
2	The experimenter followed the script: "Please share your screen with me by clicking on the 'share screen' button on the bottom of your screen. Please click on the Qualtrics survey labeled "Pretest". Do your best to complete the Qualtrics survey by choosing which stimuli you think go together. You will select which stimulus you think matches by clicking on the button under that stimulus. Then, you will click the red box with the arrow to move to the next question. I cannot answer any questions at this time."
